THE NAMES OF GOD  
YEHOVAH

**Scripture Memory: 2 Peter 1:1-4\*\*\*\***

Monday  Tuesday  Wednesday  Thursday  Friday  Saturday  Sunday

**Lesson:**

As I wrote last week, Jehovah is the transliterated German word of the 4 Hebrew letters, also known as the Tetragrammaton - YHWH (JHVH in German). The Hebrews would not say this most holy of God's names, but would replace it with Adonai when reading the scriptures. When the time came in the middle ages, it is believed that they replaced the vowels of the spoken YHWH with the vowels of Adonai producing YaHoWaH.
