

Lake Sallateeska (3-5 May)

We're excited to announce this year's all troop campout to Lake Sallateeska (<https://www.ibsa.org/lake-sallateeska/>)

Located less than 1 hour from Fairview Heights, the 83 acre campground also has a 5 acre lake where we will be able to boat and fish.

All trailmen will be camping, but there are about 12 bunks we have access to use. Please let Jeffrey Pitts know if you are interested in using a bunk.

Parents are encouraged to car-pool. If your Trailman will be unaccompanied and needs a ride, please add that as a note on your RSVP or let Jeffrey Pitts know.

You must be registered on Trail Life Connect and have turned in your Medical Information in order to attend the campout.
